

Awareness on OHSAS 18001 and ISO 14001 (New Edition)

COURSE OBJECTIVE: The purpose of this course is to create awareness on OHSAS 18001 and latest ISO 14001:2004. This will help the organization to implement a simple, effective and result oriented system.

We also undertake consultancy projects on Implementation of Quality Management System based on ISO 9001/ISO 14001/TS 16949 and OHSAS 18001

HOW OUR COURSE IS DIFFERENT: After the course, participants can write their own standard. They would rarely have to refer to the standard after the course. We also take all practical implementation problems in consideration and suggest different options to deal with such situations.
